

# EASY WORKSTATION

The Easy modular workstation system is the latest innovation in workstation solutions.

In a demanding marketplace workstation systems must be functional, long-lasting, flexible and look great. Our new Easy workstation ticks all the boxes.

Easy is constructed from 50x30mm square steel tubing and finished in a sleek black surface. Many different workstation configurations are available which delivers a solution for any shape requirement or space limitations.

Easy has the latest fixed pedestal technology giving you the choice of pedestal position. Fixed to the desk or return, right or left the choice is yours. This fantastic feature means that under desk cleaning is.....easy!

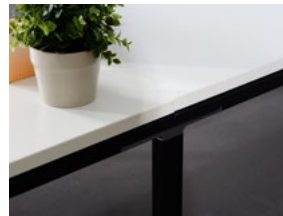

- Fixed pedestal for desk or return

- Cable access

- Stylish leg finish

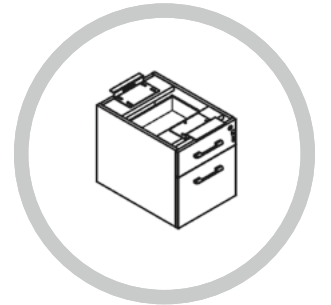

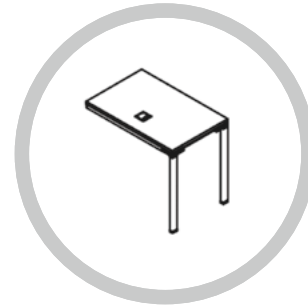

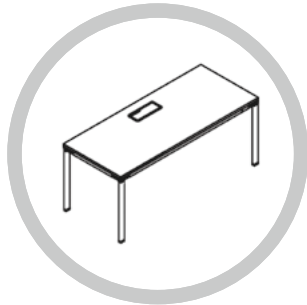

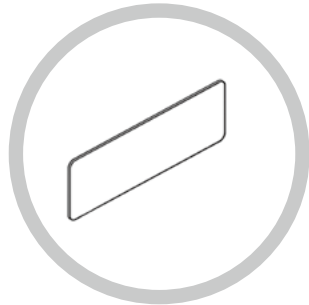

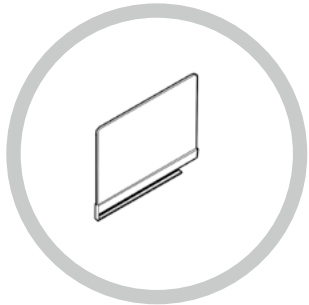

- Single leg for joining workstations

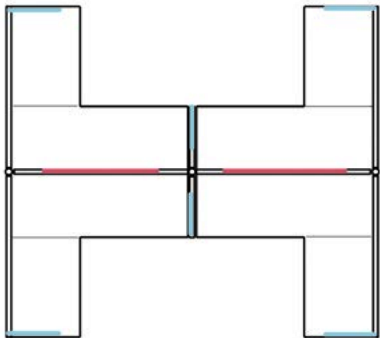

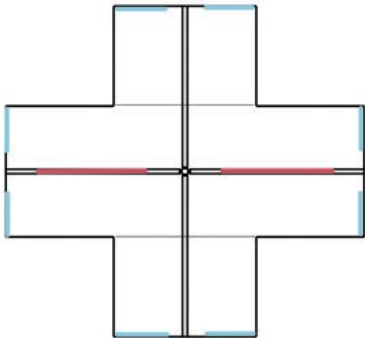

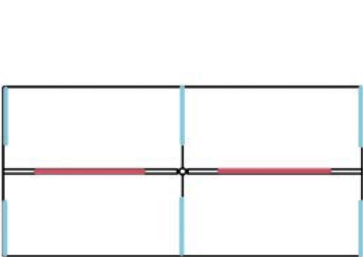

- Side screen

- Back screen
